New Start-Up Package Available!

Beginning August 1st, Petra will have new devices available to order, which means a brand-new Start-Up Package for anyone not already signed-up with Consumer Cellular. See below for more details.

IN THIS PACKAGE:

- ✓ 6 popular mobile devices
- ✓ 5 accessory kits
- ✓ 6 All-In-One SIM cards
- ✓ An attractive display
- ✓ Co-branded direct mail marketing

ORDER CODE	DESCRIPTION	YOUR COST
CCSTARTUP	Consumer Cellular Start-Up Package	\$392.00

Sign-up with Consumer Cellular today and start making \$20 with every activated device. **That's a potential profit of \$331.84!**

Still want to order the current line-up of devices? No problem. The Consumer Cellular Envoy, Motorola Moto E LTE and Motorola Moto G LTE will still be available, but only while supplies last.

Check out some additional details about the new devices offered in this updated package on the back page.

NEW DEVICES!
