

Now Announcing the Consumer Cellular Link II

The Consumer Cellular Link II flip phone delivers a convenient way to talk, text and more. Capture and share photos with the 2MP front-facing camera, which can also shoot 720p video. Enjoy hands-free calling with Bluetooth wireless connectivity. Navigation is easy thanks to the bright 2.8" and 1.7" dual screen displays, and dual microphone noise suppression adds clarity to conversations. A 1,600mAh battery provides long-lasting power, and the Link II's compact, lightweight design—it weighs just 4.5 ounces—makes it easy to slip into a pocket or purse when it's not in use.
